

Happy Endings to Recurring Dreams and Nightmares

Saturday, October 9, 2010

9:00 a.m. – 2:30 p.m. *Doors open at 8:30 a.m.*

Church of the Holy Apostles Fellowship Hall

Have you ever dreamed of being chased? kidnapped? lost? being buried alive?
Do you have recurring dreams about—looking for your keys, your car, your house?
taking a test you haven't studied for? forgetting your lines on stage?
being late to an important function?

Put your mind at ease and learn how to understand
the dreams that shout for attention.

Learn how to work with dream themes and images to discover
how you can see yourself in a new and more positive light.

Plus a special feature on the symbolic meaning of buildings, houses and rooms.

**Church of the Holy Apostles is at 1593 Lynnhaven Parkway, Virginia Beach,
between Rosemont Road and South Independence, across from WAWA.**
