

LIFE IS A DO-OVER DREAM WORKSHOP

Presented by Lynne Larson

Saturday, May 23, 2009 9:00 a.m. – 2:30 p.m.

All of our experiences become part of our history and are etched in the unconscious. The Dream Psyche draws from our life stories to tell us important messages that will carry us forward and open us to transforming graces. Whatever past successes or mistakes, whatever remains unfulfilled, our potential is alive in the present.

Within our dreams are nuggets of wisdom for today's opportunities. This workshop will include inspiring stories of people who changed their lives through the insight of their dreams.
